**Performer Application**

Thank you for your interest in performing at the Sisters Folk Festival. We are always looking for new and interesting talent to grace one of the multiple stages here in Sisters, Oregon. Very rarely does the SFF hire acts from blind press kits that are submitted with no solicitation; however we do allow you to submit in that fashion.

We accept press kits year round and hold onto all submissions for exactly one calendar year. Once your press kit is received our talent committee then reviews all information that is submitted. If the talent committee is interested in booking your act they will contact you directly. SFF will only contact you in the event that we are interested in booking your act.

Press Kits can be mailed to:
